I am writing in support of LD 77 - An Act to Stabilize and Sustainably Fund the Department of Inland Fisheries and Wildlife, Fisheries and Hatcheries Division by Increasing the Inland Fishing License Fees and Establishing the Inland Fisheries Conservation and Enhancement Fund. I believe it is important to increase the license fees, in order to sustain the department of Inland Fisheries and Wildlife. There has not been an increase in fishing license fees 10 years. The department does important work to preserve the sport of fishing for generations to come. It is important to me that my children and grandchildren get to enjoy the state of Maine and the love of fishing.

Respectfully,
