

Daniel Bell
Penobscot County Conservation Association
LD 1322

Honorable Members of the Committee,
My Name is Daniel Bell, President of the Penobscot County Conservation
Association.

On behalf of our Board and our over 300 Members, we would like to publicly support
LD1322.

The PCCA since it's inception has been involved with supporting sound policy to
move our Outdoor Heritage forward, and one of the main missions of our Club is to
promote our Youth in the Outdoors, LD1322 does just that, and the PCCA stands
ready to assist in any way we can.

Thank you for your consideration.

Daniel Bell
PCCA President
