Dover Foxcroft
LD 1763

Dear Sen. Baldacci, Rep. Roberts, and IFWC Members:

I am writing to voice MY FULL SUPPORT FOR LD 1763, legislation to ban Floating Camps on Maine lakes. Here is why I believe these structures should be banned:

We live in Dover-Foxcroft on Sebec Lake. We have a beautiful view of Borestone Mountain. Occasionally the natural beauty we enjoy is interrupted when someone will anchor their party boat off-shore from our camp for the day. So for that day, their boat and activities become part of our view, our environment for the day.

We don't have any problem with this; they should be able to anchor somewhere and enjoy the day as we do.

But it's a whole different situation if someone were to lay claim to that piece of water off-shore from our place and set up a mooring with a floating camp for the summer duration...
