LD 1763

Dear Sen. Baldacci, Rep. Roberts and IFWC Members: I am writing to voice my full support for LD 1763, legislation to ban floating camps on Maine lakes. I am very concerned about the risk to the health of Maine lakes posed by floating camps that could discharge waste directly or via leaky plumbing into the water. Equally important is the disruption to fish and wildlife that depend on the shoreline habitat that could easily be disrupted by floating camps.
