I support LD 10, "An Act to Add Political Affiliation as a Protected Class to the Maine Human Rights Act."

Given the nature of the weaponization of the DOJ and intelligence agencies against the President of the United States of America Donald John Trump and January 6 Protestors like Maines own: Kyle Fitzsimons of Lebanon, Nicholas Patrick Hendrix of Gorham, Benjamin Bowden of Orrington, Lincoln Demy of Kittery, Matthew Brackley of Waldoboro, and Michael Gerard Fournier of Portland, ensuring Political Affiliation is a protected class by enshrining it within the Maine Human Rights Act is common sense.

Recently, stories of people intentionally sabotaging conservative Mainers job opportunities has made international headlines. For these reasons, it would be in the best interest of all Mainers if this passed.

I support LD 10
