LD 449

I STRONGLY URGE you to vote OUGHT NOT TO PASS on LD449, AN Act to Authorize a Court to Conditionally Discharge Certain Criminal Defendants. I can't even imagine a reason to put these felons and perpetrators of A, C, D, or crimes should be let out on the streets to possibly hurt someone else while they await a trial. I may be naive, and I know that some people get falsely accused, but I think this opens up too wide a berth of possible tragic consequences. It is my opinion that the judge is probably the best one to decide this function, not the Legislature. Please consider all the possible alternatives to such a wide swath of legislation. Vote OUGHT NOT TO PASS on LD 449. Thank you!
