

Janet Drew  
York  
LD 340

Testimony in support of LD 340 to the Judiciary Committee March 3, 2025. Senator Carney, Representative Kuhn, and distinguished members of the Committee:

My name is Janet Drew. I'm a retired RN, and I live in York. I ask that you SUPPORT LD 340 because it sets a definition to our constitutionally protected right to a "speedy trial."

This bill is needed because there is ample evidence that court delays and insufficient defense attorneys have kept people languishing in jail for months or even years.

Please support. Thank you.
