LD 260

Dear Senator Carney, Representative Kuhn, and Honorary Members of the Joint Standing Committee Judiciary,

Until my state acknowledges in our Maine State Constitution that ALL its citizens in any protected class have equal rights before the law, many of the most vulnerable among us will not only feel invisible, but be exposed to discrimination curtailing our wellbeing and even our safety. Protecting human and legal rights for ALL Mainers in our foundational document ensures that these rights cannot be curtailed by future laws.

Thank you for your kind attention. I urge you to vote "Ought to Pass" on LD260 and thereby help to protect ALL your constituents and Maine citizens.

Respectfully,  
Linda J Currie
