LD 260

Senator Carney, Representative Kuhn and Honorable Members of the Joint Standing Committee Judiciary,

My name is Emilia Dahlin and I'm a resident of Gorham, Maine. I'm writing in support of LD 260.

At the time our constitution was written, a fraction (men) of the population was protected by it. It's time to update our constitution and to make sure that every person is protected. As we've seen in the past few weeks, we cannot rely on the federal government to do this and it's paramount that this bill pass now to ensure the safety and equity of every person in the state.

Thank you for the opportunity to share my perspective with the Committee. I urge you to vote "Ought to Pass" on LD 260. Thank you."
