Senator Carney, Representative Kuhn, and Members of the Joint Standing Judiciary Committee,

I am hopeful that you will support LD260 because it is the humane thing to do. No one should suffer discrimination due to their race, color, sex, sexual orientation or gender identity, physical or mental disability, religion, ancestry or national origin. This is the time to strengthen the rights of our fellow citizens who will suffer most under a faltering democracy. The stakes are too high to ignore.
