Here's a polished version of your letter:

The Honorable Carney, Representative Kuhn, Representative Poirier, and Members of the Judiciary Committee,

Good afternoon,

I'm Cory Reynolds, and I'm grateful for the opportunity to submit testimony before you today. I'm here to express my strong support for LD 492, "RESOLUTION, Proposing an Amendment to the Constitution of Maine to Provide for Parental Rights."

As a concerned citizen, I believe it's essential to recognize the fundamental rights of parents to direct the upbringing, education, and care of their children. This resolution aims to enshrine these rights in the Maine Constitution, ensuring that parents, not the government, have the primary authority over their children's lives.

I'm deeply troubled by the recent events at the state house, where a representative was censored for advocating for girls' rights. This action is unacceptable and unconstitutional. As elected officials, you've sworn an oath to uphold the Constitution and protect the rights of all Mainers.

Therefore, I urge you to vote in favor of LD 492. This resolution is a crucial step towards safeguarding parental rights and promoting the well-being of Maine's children.

Thank you for your time and consideration.

Sincerely,
Cory Reynolds
