RE: LD260

Dear Senator Carney, Representative Kuhn, and Honorable Members of the Joint Standing Committee Judiciary,

I am a resident of Falmouth, Maine and writing in support of LD 260.

My family is fairly diverse. I am a 70 year old woman. I have a 36 year old daughter with Autism. My youngest daughter was adopted from China 30 years ago. She is married to a Black Man. Their children will be of mixed race. I have a niece who is transgender.

Any or all of my family members would benefit from being seen and supported by this law to live their lives without barriers. Without prejudice. To have full access to employment, education, health care, and more.

I speak for others in encouraging you to respond "Ought to Pass" on LD 260.

Thank you for your time and your service to the people of Maine,

Mary Chris Semrow
