LD 260

March 4, 2025

Senator Carney, Representative Kuhn and Honorable Members of the Joint Standing Committee Judiciary,

My name is Sherry Streeter and I join you today as a long-standing member of Equal Rights Maine which is working with the Maine ERA for All! Coalition. Our Coalition is committed to establishing equal protections for ALL persons into Maine's constitution.

Passing LD 260 would be a critical step forward in establishing equal protections in our state. It's time for Maine to do the right thing – both symbolically and practically – for all Mainers, joining 29 states who have already established similar measures.

Ensuring all Mainers are recognized and protected in our constitution will help ensure Maine remains a state that stands for equality now and into the future.

I urge you to vote "Ought to Pass" on LD260. Thank you!

Sincerely,

Sherry Streeter
