LD 986

I STRONGLY URGE you to vote OUGHT NOT TO PASS on LD986, An Act to eliminate the crime of felony murder. My question to you would be, "Why in Earth we would want to do that???" What possible reason would that be a viable thing to do? If someone has committed, they have murdered someone and taken off. They have committed or tried to commit a robbery. They have kidnapped someone or committed gross sexual conduct toward someone, even a child. They have possibly burned someone's house down. These are people who have committed terrible crimes towards their fellowman and need to pay the consequences for that behavior. I can't even image what someone is thinking to do away with a felony conviction. Please, I urge you to do your homework on LD986 and come to realize it OUGHT NOT TO PASS.

Thank you!
