

Katherine Ahrens  
YARMOUTH  
LD 998

My name is Katherine Ahrens and I live in Yarmouth, Maine.

I am writing to oppose LD 998 - An Act Regarding an Employer's Authority to Prohibit an Employee from Storing a Firearm in the Employee's Vehicle

This law would make Maine less safe.

I support gun safety measures because I care about the public safety of people living in Maine. As a public health professional, epidemiologist, and mother of three children, keeping our residents safe is a top concern.

Thank you for considering my testimony.
