**Testimony in Opposition of LD 953 “An Act to Change the Definition of “Machine Gun”
in the Maine Criminal Code”**

To: Sen. Carney, Rep. Kuhn, and Members of the Committee,

I am in strong opposition to LD 953 because it changes the definition of a “machine gun” to allow more guns of a rapid fire nature to become legal. It will lead to more of these guns on the market which will only enable more of them in the hands of those who will do harm. We must engage in laws that will make people safer, and that will not contribute to more gun violence. Access matters.

Help Maine stay safer by **opposing LD 953**.

Thank you for your time and thoughtful consideration of LD 953 in your efforts to ensure the safety of all people in Maine.

Respectfully submitted,

Monique Culbertson
