LD 998

To the members of the Judiciary Committee,

My name is Dan Masessa of Montville and I SUPPORT LD 998, An Act Regarding an Employer's Authority to Prohibit an Employee from Storing a Firearm in the Employee's Vehicle.

An employee's vehicle is their personal property, the same as their home. Any legal resident of Maine who is not restricted from owning a firearm should be allowed to keep a firearm, locked in their vehicle, while at work. The need for a concealed carry permit will not be required.

I want to remind every person on the Judiciary Committee that your oath of office is to support the Constitution of the United States and the Constitution of the State of Maine. Voting against this bill will be violating your oath of office.

Shall Not Be Infringed, Shall Not Be Questioned!

I strongly urge the committee to vote Ought To Pass on LD 998.
