Dear Members of the Judiciary Committee

I write to urge you to vote OUGHT NOT TO PASS on LD 424.

As a mother, a grandmother, a stepmother and a retired high school teacher, I cannot imagine a worse idea than allowing a teenager to carry a concealed weapon. You can probably gather that I am not in favor of ANYONE carrying a concealed weapon but lowering the age to conceal carry is dangerous and asking for an accident....An accident that could end in homicide.

Please vote: OUGHT NOT TO PASS on LD 424.

Thank you.
