Dear Sen Carney, Rep Kuhn, Members of the committee, I am Janice Vance and I live in Kennebunk. I am in favor of this bill because it's a way to limit the risk from a shooter killing or wounding large numbers of innocent people. I hope we as a state learned a lesson from the Lewiston murders. States with limits have far lower gun deaths. While such devices may be used for "sport shooting" in addition to well-planned mass killings, I would like to see a way for these to be offered for purchase only at participating shooting ranges, so they could be used, and accounted for, in those locations only. Thank you.
