Brunswick  
LD 975

My name is Eli Bundy, and I am a 20 year old student living in Brunswick, Maine (04011). I am writing to strongly oppose LD 975. Abortion is necessary healthcare in the state of Maine and around the country, and patients and their doctors should be making medical decisions, not the legislature. If you don't like abortion, then you never have to have one, but do not prevent other people from exercising the right to make decisions about their own bodies.
