

LD 1007 An Act to Update the State's Informed Consent Laws Regarding Drug Induced Abortion

Members of the Judiciary Committee, my name is Jennifer Ruggiero. I live in Cape Elizabeth. I urge you not to pass LD 1007.

This bill is another attempt at forcing a pregnant person to reconsider their decision. It assumes healthcare providers aren't already doing their jobs. It adds unnecessary restrictions.

Abortions are necessary. They help the people who are having them. They help society. I urge you, please do not vote to pass LD 1007.
