ROUND POND
LD 887

Hello and thank you for the opportunity to submit testimony on LD 887. I am a retired physician. I care deeply about the health and safety of my community. I believe it is wrong to attack and criminalize doctors and other health providers who can provide a safe medical choice to terminate an early pregnancy. This bill does not reflect what most Mainers feel is right.

Please, do not support LD 887.

Thank you.
