Re: LD 975

Members of the Judiciary,

I submit this testimony in opposition of LD 975.

This is an attack on women's rights, bodily autonomy, and women's healthcare.

Abortion should never be politicized or governed by laws. It is medical care, and should be a private decision between a woman and her medical provider.

People in favor of this bill are forcing their religious beliefs on other citizens. We are not a Christian Nation. We are a Nation of Religious Freedom with the right to choose to worship as we see fit. Criminalizing abortion, requiring reporting of miscarriages, or limiting access to contraceptives is immoral, sexist, and unlawful. Women's equality depends on her ability to choose if and when having children is right for her. Please reject this dangerous legislation and protect the women in Maine.

Thank you.
