i support amending the 1980 Maine Indian Claims Settlement Implementing Act and the 2023 Mi'kmaq Nation Restoration Act to prevent the state from taking Wabanaki land for public uses. It seems only fair and just to me that the Passamaquoddy Tribe, Penobscot Nation, Houlton Band and the Mi'kmaq Nation be treated as the sovereign nations that they are. And in these unpredictable times, it's even more important that tribal lands be protected from eminent domain laws.
