LD 1062

Dear member of the Judiciary Committee:

I am writing today to urge you to support LD 1062, as there is already Federal law that makes it entirely illegal to sell or furnish a firearm to a known felon. Just as important here, is the fact that this law is about 99% entirely unenforceable! Why pass laws that are not enforceable? Please stop with this idiocy and go after the truly dangerous thugs. Thanks for your time.

Yours Truly,
James Andrews
