Brunswick
LD 208

I am writing to urge you to oppose LD 208, which would eliminate the 72-hour waiting period for the purchase of firearms. It is not an unreasonable amount of time to ask a purchaser to wait and could well allow for the discovery of people who should not have access to firearms. Maine has suffered a recent tragedy at the hands of someone who shouldn't have had access to firearms. We need to make sure this doesn't happen in the future.
