LD 1299

I oppose LD 1120 “An Act to Promote the Secure Storage of Firearms” and LD 1299 “An Act to Prohibit the Unsecured Storage of Handguns in Motor Vehicles.”

Another attack on law-abiding Maine citizens, Maine is the safest state in the nation. I fail to see how these laws would make us “safer”.

Both bills focus on criminalizing a person whose belongings have been stolen, rather than placing the responsibility on the person doing the stealing and committing a crime. LD 1120 also requires gun dealers to post blatant gun control propaganda at their place of business. Please stop with the nanny state legislation.

I oppose LD 1120 and LD 1299, and they “ought not to pass.”
