LD 1299

Dear Senator Carney, Representative Kuhn and Members of the Committee,
I write in opposition to LD 208 and L230 that would repeal the 72 hour waiting period, and I am also in opposition to the repeal of background checks that would occur if LD1062 were passed.

As a physician, and responsible gun owner, I strongly support the life-saving gun safety legislation of a 72 hour wait period and continuation of background check requirements.

Signed,
Donald P Endrizzi, MD
