LD 1120

to the Members of the Judiciary:

Bill LD 1120 seems to be so full of common sense it's a wonder that we need a bill for it. Yes, PLEASE vote OUGHT TO PASS on a bill that will save countless reckless and careless accidents- from a child finding an unlocked gun, to a teen contemplating suicide, to a flash domestic argument to an intruder who might steal an unsecured gun. There is no reason a firearm should not be secured in a person's home.

Thank you for your time and consideration. I know there are many gun bills before you this session and it is my hope that this is an easy decision. I hope the committee votes in support of LD 1120.
