Dear Senator Carney, Representative Kuhn and Members of the Committee
I am a physician and I am writing in strong support of LD1120 and LD1299 gun storage legislation for homes and motor vehicles. Securing firearms will help prevent gun deaths through prevention of the horrific tragedy of accidental gun discharge by children or teens in the home and in preventing access when a family member is experiencing a mental health crisis or suicide risk.

I urge your support of both these pieces of legislation.

Respectfully,
