

Janice Vance  
Kennebunk  
LD 1062

Dear Sen Carney, Rep Kuhn, and members of the committee, I am Janice Vance and I live in Kennebunk. I am opposed to LD 1062. ALL sales of firearms should be subject to background checks. Law-abiding gun owners have no worries in passing background checks, and in fact, should be proud that they are honest and following the rules that keep all of us safe. On the other hand, criminals, and those contemplating the commission of a crime, including domestic abuse, would, I'm sure, LOVE this bill because it allows them to have no accountability. Please vote "ought not to pass," and thank you.
