LD 1656

I STRONGLY support LD 1656 “An Act to Facilitate Compliance with Federal Immigration Law by State and Local Government Entities.”

LD 1971 and LD 1259 submitted this session are designed to harbor/hide the status of illegal aliens and hamper Maine law enforcement from doing their job, catching criminals. Why would sane, legal Maine residents ever support these bills?

LD 1656 prohibits restricting the enforcement of federal immigration law. It establishes a complaint process and a duty to report violations of these provisions.

We are seeing judges at a federal level being arrested for harboring illegal aliens, as they should be!

Restore common sense and pass this bill into law!

Please, LD 1656 “ought to pass.”
