LD 1009

Honorable Members of the Judiciary Committee:

Thank you for your service to our State. Please vote Ought to Pass on LD 1009 – this proposal is well-written and provides not only exceptions for more grievous crimes but a significant 10-year requirement for restoring a prohibited person’s ability to legally own, possess or be in control of a firearm, and a “two strikes” rule that permanently revokes the restored right in the case of conviction of another felony.

Respectfully
