

Lucie Bauer
Rockport
LD 1432

Senator Carney, Representative Kuhn, and members the Judiciary Committee:

My name is Lucie Bauer. I am a resident of Rockland and I am testifying in opposition to LD 1432. I submit this testimony as a member of my Unitarian Universalist faith tradition, which affirms and promotes justice, equity and compassion in human relations and the inherent worth and dignity of every person. I am a member of the First Universalist Church in Rockland and of MUUSAN, the Maine Unitarian Universalist Network which embodies these values.

As a person of faith, a great-grand aunt, and a retired educator, I oppose removing protections for trans-Mainers from the Maine Human Rights Act. I am proud that our state includes strong protections for our trans neighbors, family members and friends. The current attempt to remove those protections from trans-Mainers shows how vitally important they in fact are!

I urge you to vote Ought Not to Pass on LD 1432.

Thank you,
Lucie Bauer
