

KEITH DAVIE  
Rockland  
LD 1002

I am a member and Trustee of the First Universalist Church in Rockland, a congregation affiliated with the Unitarian Universalist Association. I am writing to express my firm belief – as a person of Faith – that proposed legislation LD 1002 ought not to pass.

While there are still many questions to be considered relating to Transgender athletes, this proposed legislation is a fear-based, knee jerk reaction to a threat that has no basis in fact. It unfairly targets trans athletes and opens the door to discrimination and bullying.
