LD 380

Hello, members of the committee, thank you for taking the time to hear me.

I will keep this brief. LD 223, 868, 1002, 1134, 1704, 1337, 1432 reek of a type of bigotry, and erosion of rights, for marginalized people.. I, in good conscience, could not let these go without comment. The sheer act of attacking children, when they are most vulnerable, and marginalized, is gross.

On the topic of LD 380, I find it wild that at the age of 16, they can consent to sexual acts, but can't consent to how they express their gender/sexuality. In what world does that make sense?

In closing, bigotry should not be tolerated, and if one is allowed to consent to sexual acts, they should be allowed to take hormones. You can't have it both ways.
