LD 1134

I am writing to request that you reject LD 1134: An Act to Prohibit Males from Participating in Female Sports or Using Female Facilities. As with all of the other bills before you today, the cruelty is the point. This bill does nothing to increase the safety of women and girls while it increases transgender youth's likelihood of being bullied, harassed, and harmed. It also will expose all girls and women to gender policing and invasive and horrific gender checks. Thank you for rejecting this cruel bill.
