I support LD
1337 and LD 1432. PROTECT AND RESPECT BIOLOGICAL
WOMEN!! This is
common sense legislation. It's
outrageous to think otherwise! Biological
males have no business being in biological female's locker rooms, bathrooms,
shelters, or competing against them in sports programs. It's dangerous, and totally
disrespects
biological females. It's a travesty that
biological women are being erased in Maine! Many Maine politicians and unelected
bureaucrats have totally disregarded the fact that a large majority of
Americans (~80%) DO NOT want biological males competing against biological
females. Maine must fully
comply with Title IX Federal law. Maine
State law no longer applies.

I support LD
1337 and LD 1432 and they "ought to pass."
