

Michael McClellan
Raymond
LD 1337

Senator Carney, Representative Kuhn and members of Maine's Judiciary Committee, I am Mike McClellan and I live in Raymond, Maine. I write today as I am unable to attend these important Public Hearings. I write to offer strong support for LD 1337, An Act to Amend the Maine Human Rights Act Regarding Female Athletes and Safety in Women's Single-sex Shelters.

Maine is in a difficult situation now in terms of safety of our people, being in violation of Federal Law and possibly (likely) risking significant monies from the Federal Govt. given our Majority Leadership stances.

All significant discussions but safety of our citizens should be your first charge. To allow someone who is confused as to who and what they are to go where they should not go is only asking for a problem. We certainly should be concerned with equal rights but do not confuse what someone desires with being a right.

Please protect all Maine people and support this legislation.
Mike
