I am writing in STRONG support for LD 1337. Men do not belong in women's spaces, especially in single-sex shelters. The reality, no matter how much some people wish to deny it, is that men are typically bigger, stronger and faster than women. And women who have been abused by men certainly DO NOT need to have men in shelters where they are trying to escape from such abuse.

And female athletes should not have awards, scholarships and other things they have worked so hard for, taken away by men. Men cannot become women any more than they can become a dog, a cat, a giraffe or an elephant! If a man wants to wear a dress that is his prerogative, but it doesn't give him the right to trample on the rights of anyone else.

Please support women's rights and safety and support LD 1337.
