I am writing as a person of faith and indeed, as an active church member most of my life. I strongly urge the Committee to vote OUGHT NOT TO PASS on LD 380.

Repealing Maine's Shield Law would subject Maine's already-strained healthcare infrastructure to out-of-state criminal prosecutions for providing standard-of-care health care as legally allowed in this state. Maine state law has allowed doctors and patients to safely give and receive the care they need, and LD 380 would especially cause great harm to health care providers.

Thank you for this opportunity to urge you to vote OUGHT NOT TO PASS on LD 380.
