An Act to Protect Workers in This State by Clarifying the Relationship of State and
Local Law Enforcement Agencies with Federal Immigration Authorities

I'm writing in support of this bill LD 1971. At this time of unprecedented
attacks on civil liberties it is best to clearly define what local State of Maine
enforcement and Federal Immigration Authorities can and cannot do.

The people and workers of this state deserve protections, which this bill outlines.

Please vote ought to pass.

Thank you for your consideration.
