I am for this bill being passed. ICE has been, and continues to tear apart, families without the due process that is a right to all Americans. Regardless of their status, be it legal or illegal, they don't deserve to be swept up by local law enforcement and handed off to a group that will be treating them as less than anyone else. For these reasons and much more, I feel it is imperative that we don't allow local enforcement to cooperate with ICE, who have repeatedly overstepped their boundaries and denied people their rights.
