

Testimony to Maine Judiciary Committee in Favor of LD1259 / May 19, 2025

My name is Sharon Dean. I live in East Machias, and I am urging you to vote in favor of LD 1259.

There have been many recent examples of the federal government taking people into custody without cause and without due process. The Supreme Court has actually ruled that the Federal Government is in violation of the constitution in many of these cases.

Immigrants in Maine are hard working drivers of the Maine economy. They pay over \$600 Million in taxes every year. No one should be assumed to have a criminal record or be a threat to society because of the color of their skin.

I have family members who worked in law enforcement before their retirement. They are good people, doing dangerous work. Immigration laws are complex. Maine Law enforcement officers and agencies should not be put in the position of trying to carry out Federal orders that might be illegal.

Therefore, I urge you to vote in favor of this bill to protect the rights of all people, including law abiding citizens and our law enforcement personnel.
