LD 1259

Senator Carney, Representative Kuhn, and Honorable members of the Judiciary Committee

Thank you for the opportunity to submit testimony on LD 1259 and LD 1971. I am writing in support of both of these bills. I believe that local, county, and state law enforcement should be putting all of their efforts into their primary mission, which is providing public safety to the cities, towns, and residents of Maine. Many law enforcement budgets are already stretched thin. Even when adequate funds exist, departments find it challenging to recruit and hire officers. Please vote Ought to Pass on LD 1259 and LD 1971.

Thank you for your consideration.
