WEST ROCKPORT  
LD 1259

Senator Carney, Representative Kuhn and members of the Judiciary Committee: I believe LD 1259 should become law because Maine needs to protect our residents from the dangerous Department of Homeland Security. Maine local and state law enforcement and state employees need to be able to legally stand up to the dangerous practices of ICE. We all need to know that law abiding citizens are safe in Maine and that local and state law enforcement will not cooperate with ICE to detain and deport people. I urge you to vote Ought to Pass on LD 1259. Thank you.
