I'm writing to testify in favor of LD 1259 and LD 1971. Maine law enforcement offers must not be contracted to work on ICE's behalf. Maine police should be protecting the workers, families and communities in our state, not assisting ICE in trampling over our rights, tearing apart our families and attacking our communities. This is our chance as Maine to stand up and say NO to the horrifying wave of unfettered, unconstitutional and deeply inhumane attacks on immigrants and their families unleashed by the federal government across the country, including our neighbors and colleagues here in Maine. Thank you for voting in favor of both LD 1971 and LD 1259.
