LD 1259

Senator Carney, Representative Kuhn and esteemed members of the Judiciary Committee:

My name is Mary Michals, and I live in Cape Elizabeth. I am testifying in support of LD 1259, an act to Enhance Public Safety in Maine by Defining the Relationship Between Local and Federal Law Enforcement. The recent actions of ICE are frightening and illegal when people are deprived of due process. Grabbing people off the street, out of their cars, at work and at home and sending to detention centers far from home where they can't access legal aid is reprehensible. I do not want our law enforcement personnel to carry out such actions in

Maine. It is not the way life should be!

I urge the committee to vote Ought to Pass Ld 1259.

Thank you for your attention to this matter,
Mary Michals
