

Doug Poulin  
Hampden  
LD 1259

Dear Senators,

I support LD1259 because I do not want local law enforcement cooperating with ICE, especially when ICE is acting illegally, without certified warrants, wearing masks, and ignoring due process. I don't see our local police as an enemy and I need them to support the constitutional rights of everyone. Allowing them to become agents of ICE jeopardizes the safety of all of us.
