Senator Carney, Representative Kuhn, and Honorable Members of the Judiciary Committee,

Thank you for the opportunity to address the committee. My name is David Wadstrup, and I live and vote in Rockland, Maine. This is my written testimony in FAVOR of both bills LD 1259 and LD 1971, which are before the committee on May 19th.

At heart, both of these bills are efforts to make Maine a safer space for all Mainers. Both are efforts to protect Maine's workers/families/people. Both are efforts to ensure that Maine's resources remain dedicated to Maine's communities rather than being diverted to serve the federal government's mass deportation agenda. This agenda seeks to instill a climate of fear in our state, and both bills are efforts to resist it.

Voting in FAVOR of LD 1259 and LD 1971 will do all of the above by simply defining and clarifying the relationship of Maine's local law enforcement and that of the federal government.

Please vote in FAVOR of both of these bills.

Thank you.
